**4<sup>TH</sup> ANNUAL - RALLY AT THE STRIP – II (RATS-II)  
MAY 10<sup>TH</sup> THRU 13<sup>TH</sup> 2012  
NEWPORT, TENNESSEE**

**2012 - NEW CHANGES & SAME NEW CREATIVE WAYS, THAT IS WHAT MAKES  
“RALLY AT THE STRIP” DIFFERENT, UNIQUE & SPECIAL!**

“Rally at the Strip” is now renamed the “4<sup>th</sup> Annual - Rally at the Strip – II” (RATS - II)

RATS - II will be at a new location for the spring biker season - May 10<sup>th</sup> thru 13<sup>th</sup> 2012 season (The 2<sup>nd</sup> weekend in May 2012). Glen is moving the rally just behind the previous venue on his family property (359 Pecos Road) just minutes from his original venue. “New changes means new excitement,” stated Glen whom has seen his dream become reality and much much more. Now RATS - II will have a 6900 sq. ft. drive thru biker bar instead of the 3900 sq. ft. drive thru pub at the old track/venue. The name stays the same the EXTREME THROTTLE SALOON! Glen is going back to what he calls "old school," bringing more fun & entertainment back to the spring 2012 event. NEW for 2012 RATS - II will have dirt drags with a twist. The twist is the dirt drag racing will begin/start INSIDE the drive thru biker bar appropriately named the EXTREME THROTTLE SALOON! Yes, you read correctly, the staging lanes will be inside the bar racing out to the finish line approximately 660 feet away 1/8 mile, now that spells EXCITEMENT!

The Extreme Throttle Saloon much like previous events will still have a catwalk for all the ladies dancing needs & it will have the moonshine still so bikers can ride thru the bar, get their picture taken in front of the real & authentic moonshine still as well as do a burnout if they choose. NEW for the Extreme Throttle Saloon is a waterslide, yes a waterslide. This waterslide is 27 ft high, anyone can climb to the top of the pub & slide down landing just in front of the bar now that is different & fun!! NEW inside the Extreme Throttle Saloon is “overnight stay rooms or bunk house rooms.” These rooms can be rented for the day or for the event, so basically you can walk out of your room, look down on the 5900 sq. ft. drive thru biker bar, now how cool is that. These rooms are limited so e-mail Glen for more information & for reservations.

NEW for 2012 is the always impressive mechanical bull but now it’s not just a bull it is a banana and other fun removable parts. Glen said you would just have to see for yourself & as always a photographer will be onsite if you would like to purchase pictures of yourself having fun on the mechanical bull, in the catwalk, in front of the moonshine still, firing weapons or simply racing down the dirt track in the dirt drag competition!

NEW for 2012 Glen is in negotiations with yet another TV production crew to film his events in 2012 much like they did in the spring of 2011. Also NEW for the spring, Glen is in negotiations with a well known company to bring some huge & nice firearms/weapons to RATS - II so you the spectator can see what it feels like to shoot/fire some nice & powerful weapons!! E-mail Glen for more information at [rallyatthestrip@yahoo.com](mailto:rallyatthestrip@yahoo.com).

Vendors as always, sign up early for your vendor spot, as you know Glen limits some products/vendors to a certain limit to make it more fair for you to profit from spectator sales ie only 2 LED vendors, 2 patch vendors, 3 food vendors etc. See vendor info on the website for application & vendor cost. Sign up for both spring/fall events & receive an even more reduced vendor rate! Glen knows without quality vendors he will not have a quality rally & he strives for excellence! Vendor fee: \$175 (no electric) & \$250 (with electric) for all outside vending spots, space unlimited. Just tell me what you need please don't take more than you need, I am flexible!!
